## **06/14/2012 Minutes**

VISION 2020 ENVIRONMENT TASK GROUP            RESERVOIR COMMITTEE  
JUNE 14, 2012 MEETING, approved minutes        Town Hall Annex, Second Floor

In attendance: Lisa Fredman, Cathy Garnett, Susan Gilbert, Martine Gougault, Jane Howard, Elizabeth Karpati, Ann LeRoyer, David White.

Facilitator: David White            Minutes: Elizabeth Karpati

Next meetings: TBA, Town Hall Annex, First Floor Conference Room, September 4, 7:30 PM.

- Minutes: The minutes of the previous meeting were accepted as presented.
- Habitat Garden: The garden looks good, but the spread of bindweed needs to be controlled. We should get more of the native honeysuckle to grow on the fence. We need a schedule for watering when needed. The pictures on the cover of the Town Annual Report include one of volunteers working in the Habitat Garden.
- Work Day: Scheduled for Sunday, June 17, 1-3 p.m. We may not get any Girl Scouts to help this time. We should make a list of things that need to be done when they are available, such as weeding and putting a ring of wood chips around trees to protect them from mowers.
- Signage: No recent thefts were noted – maybe the signs asking people to watch out have helped. The topic of future signage was tabled.
- Calendar: Susan joined the committee, which also includes Lisa, Ann, Martine, and David. They plan to meet next on June 26.
- Kiosk: Andrew Fischer told David how to do it. David will ask for volunteers.
